

## Discover a World of Possibility

Ethically and sustainably grown in Salinas, CA, KEY bridges California values with California adventure. KEY is dedicated to responsibly producing the highest quality products with you in mind. Our KEY line takes inspiration from the surrounding possibilities of exploration—from the kaleidoscope of Glass Beach to journeys in Joshua Tree, from the swell at Pleasure Point to the feedback of your favorite basement show—KEY is yours to unlock the moment.

KEY

## THE KEY TO WELL-ROUNDED CANNABIS

The well-rounded nature of KEY  
Is more than just terps and THC  
To experience the plant in ALL its joys  
It must test high in Minor Cannabinoids

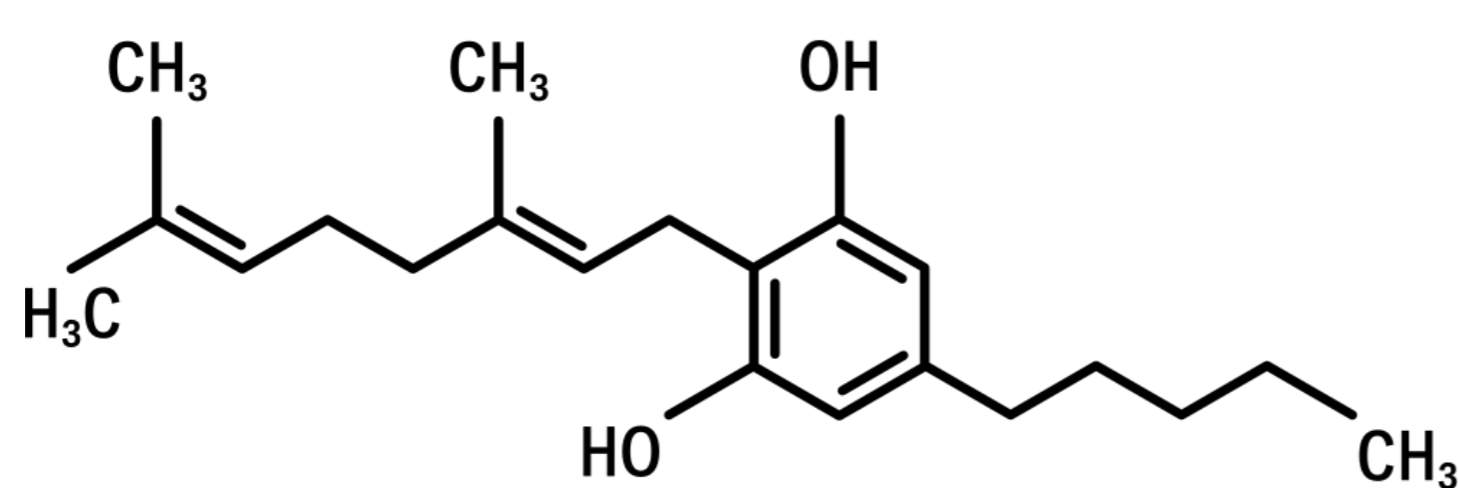

Well what on earth is such a thing?  
What do they do? What effects do they bring?  
They balance out a bit of potency's nerves  
To give you an experience that you deserve

Now that's not all that these things do  
There's many benefits tailored to you  
From physical wellness to an elevated vibe  
Read below then give 'em a try!

## KEY's Minor Cannabinoids

## CBG

(Cannabigerol)

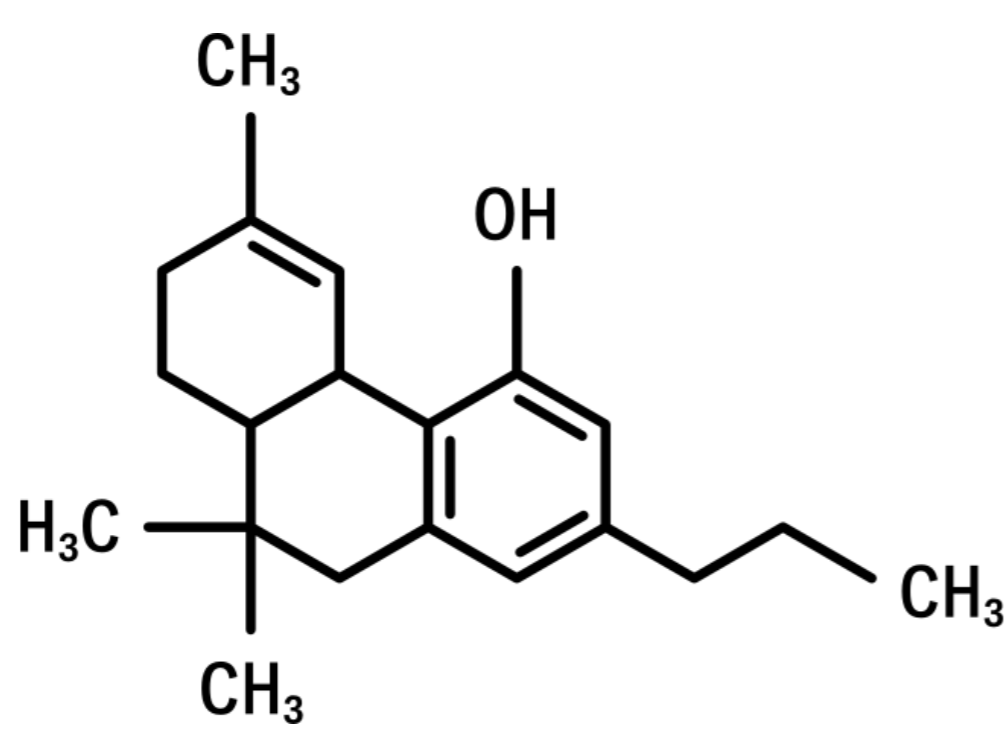

Need to mellow from the THC?  
You got a friend in CBG  
All cannabinoids start off this way  
Before the plant's enzymes lead them to change  
(not sourced from premature harvest)

**Potential Benefits of CBG:**

- May act as a neuroprotectant
- May work as an appetite stimulant
- May help as a sleep aid

## THCV

(Tetrahydrocannabivarin)

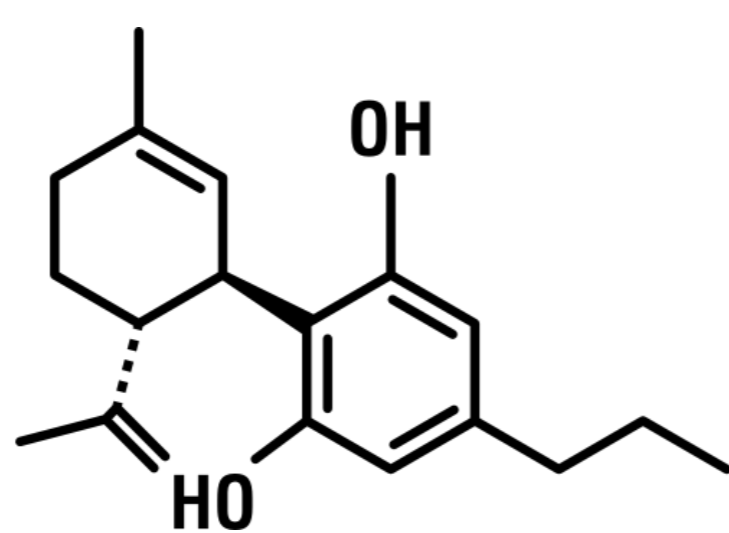

Avoiding the munchies, or a couch of lock?  
Well this is the cannabinoid you want to rock  
If you enjoy cannabis use during the day  
THCV will keep you awake

**Potential Benefits of THCV:**

- May help reduce appetite
- May help reduce nervousness
- May help reduce couchlock

## CBDV

(Cannabidivarin)

For those who seek to relax  
This one's cool as a Coltrane sax  
From wellness benefits to a moment of peace  
KEY tests high in CBDV

**Potential Benefits of CBDV:**

- May help lessen the magnitude of seizures
- May reduce swelling
- May elevate mood without intoxication
