Give your kids lunch box a fun and stylish makeover with a bold, new set of patterns from Bentgo Kids Prints. This one-of-a-kind, leak-resistant bento style lunch box for kids features a compartment for fruit, veggies, dip, an entrée, and dessert. With so many perfectly portioned compartments, it inspires parents to pack a more wholesome, balanced meal within a conveniently laid out school lunch box. Although Bentgo Kids Prints is recommended for children ages 3-7, it's also great for teens and adults looking to pack a portion-controlled lunch.

- **Dishwasher Safe Tray:** Top-shelf dishwasher-safe tray for quick and easy cleanup after meals and snacks. We recommend handwashing the outer box to preserve the leak-proof seal
- **Microwave & Freezer Safe:** Pop the tray out of the outer box to safely reheat meals or place the entire lunchbox in the freezer to make meal-prep easy
- **Food-Safe Materials:** All components are made with BPA-free and FDA-approved food-safe materials
- **Slim, Lightweight Design:** Bentgo Kids Prints lunch box fits easily and securely into your child's backpack to allow more room for school supplies and less weight on their back
- **Leak-Proof Technology:** Keeps meals and snacks fresh and mess-free during transport. Designed with 2 kid-friendly latches that are easy for small hands to open and close
