

HAPPYLIGHT® DUO - 2-IN-1 LIGHT THERAPY & TASK DESK LAMP

★★★★★ 4.8 (5) [Write a review](#)
\$79.99

Benefit from the power of sunlight with the clarity of premium task lighting with HappyLight® Duo. This 2-in-1 desk lamp is a great addition to any home by safely bringing daylight indoors by emitting a bright white light that mimics sunlight. This customizable lighting solution is perfect for readers, artists, hobbyists, crafters, and anyone seeking a powerful lamp with adjustable light. This lamp offers true color rendering to illuminate the details and easy-to-use controls that allow you to change both color temperature and light intensity. It's time to plug in, get happy, and get crafting!

- Full-spectrum, UV-free light with clinically proven 10,000 lux intensity
- Choose from 3 HappyHue™ color temperatures (daylight, warm light, and cool light)
- Choose from 7 brightness levels for your preferred comfort
- 360° flexible gooseneck to reposition your light where you need it
- USB charging port for added functionality and convenience to charge devices

HOW IT WORKS

Sunlight is an essential ingredient for a healthy lifestyle, but many of us don't get the amount of bright light we need to experience its benefits. The HappyLight® Duo - 2-in-1 Light Therapy & Task Desk Lamp is a light therapy solution that safely brings daylight indoors by emitting a bright white light that mimics sunlight. Plug it in & get happy!
